Personal Hygiene Collection

Benefiting students of Miami-Dade County Public Schools

Communities In Schools (CIS) is the nation's leading organization dedicated to helping students achieve in school. Our mission is surround students with a community of support, empowering students to stay in school and achieve in life.

Contact Vernon Jacobs at vjacobs@cismiami.org for more information.

Many students will come to school hungry, homeless, ill-clothed, or lacking basic medical care. For many, these obstacles will prevent them from being able to regularly attend school. It is our goal that each of our site coordinators have school supplies, snacks, and hygiene items readily accessible for our students. Join us on our annual drive by collecting personal hygiene products before and on March 24, 2017. For more information, please contact Vernon Jacobs at vjacobs@cismiami.org

HELP US BRING HOME THE TROPHY

Picture the annual college basketball tournament in March. Now, replace the teams with nonprofits. During each week-long round donors visit bfg.org, select the Communities In Schools of Miami, Inc. and donate money to help us advance to the next round (\$1 = 1 Point). At the end of each round the nonprofit with more points advances and the points reset. Help us score 3 in BFG. When a donor fully completes their donor profile they will be rewarded with a \$2 coupon code they can use during check out to donate to any organization participating in the tournament- essentially donating \$2 to any organization for free. The donor can make it a three-point play, which makes their coupon code worth \$3, by tweeting @Lids using hashtag #score3inBFG.

Program Spotlight

Malik Carter-Ferguson (Student) and Askia Carhee (U.S. Coast Guard Mentor)

Every month 100 students travel once a month to spend a day with their mentor. Students spend the day learning life skills, resume building, interview skills, and talking to someone who can guide them through their future. The Communities Helping Adolescents Program (CHAMP) not only exposes students to different career fields and opportunities, but ensures that our students have a caring adult in their life.
