### Student Testimonials: Who will you meet?

Andy Siclait is a senior at North Miami Senior High School. He has been part of Communities in Schools since his sophomore year.

Andy caught the site coordinator's attention when his grades started to plunge and his demeanor started to change. The site coordinator learned that his father had suffered a stroke and things were not the same at home. The site coordinate intervened to connect Andy to needed services.

Since then, Andy has shown great improvement academically and socially. His grades started to improve and he has been offered the opportunity to intern at Jackson Memorial hospital. Andy is currently a recipient of a Bright Future scholarship.
