

Communities In Schools

Miami

Donate Today

Abby, a 6th grader at North Miami Middle School, experienced a traumatic event right before the holidays. Her family's home was robbed and the intruders took almost everything - personal belongings, money, and even Abigail's book bag.

As soon as Communities In Schools of Miami site coordinator, Ms. Nadege, heard of the incident, she reached out Abby's family to help. The first thing she did was give Abby a new book bag filled with school supplies. Right before Thanksgiving, Ms. Nadege gave the family a food basket that included all the essentials to make sure they would have enough food to celebrate a special Thanksgiving dinner. Abby's mom was very thankful and it was inspiring to see the community come together and surround the family with love and support. When Abby came to school after the holiday break, she said to Ms. Nadege, "thank you for thinking of me and keeping our stomachs full."

Are You All In With Us For Kids?

We currently provide our programs directly in 12 Title I Miami-Dade County Public Schools, but YOUR donations are needed to keep more than 3,000 students on course for on-time graduation this year.

As a Monthly Giving Circle member, you join a special circle of friends whose monthly pledges are so critical to sustaining the mentoring, tutoring, and wrap-around services our students need.

Here is what your vital support can do:

- **\$1,500** can provide *one full year* of quality, literacy-focused Afterschool Programming for one student.
- **\$500** can build our emergency fund that supports students and families with immediate critical needs.
- **\$100** can support our school food pantry to alleviate hunger discomfort in school and to provide weekend meals for food-insecure families.
- **\$50** can buy books for students in our AmeriCorps Miami Reads and Achieves Literacy Tutoring Program.

Please help us transform these lives by donating today!

2018

Growing Our Impact: Helping relocated families from Puerto Rico

We are so proud and grateful to receive a \$50,000 grant from the Knight Puerto Rico Fund for Hurricane Maria Relocation through [The Miami Foundation](#). This Fund helps families that fled Hurricane Maria's destruction in Puerto Rico to rebuild their lives in Greater Miami. The grant will support our Puerto Rico Rebuild Program where our caring site coordinators will reach out to

A caring, anchoring adult for students: CIS of Miami Site Coordinator Eve Mckinsey

Puerto Rican families and students entering Miami-Dade County Public Schools, conduct needs assessments and provide holistic wraparound services, and help welcome and orient them to their new schools and community. CIS of Miami is so honored to work with and empower these families that have endured so much hardship and trauma.

Support HB 2707: #IamtheROI

We really need your support on HB 2707! See below. HB 2707 would provide additional site coordinators in the community impacting students like Dominic. "I was born a statistic by being the 7th of eight children raised by a divorced, single mother in one of the poorest, crime-infested communities in my city. I am a living success. Communities In Schools of Miami is, was, and will always be a catalyst for defying the odds."

Use the hashtag #IamtheROI and share your Communities In Schools of Miami story on social media. We would love to hear from you.

Learn more about what HB 2707 would bring to our community by clicking [here](#).

HB 2707

REP. FISCHER CALLS FOR \$2.4 MILLION INVESTMENT IN COMMUNITIES IN SCHOOLS

"CIS is highly effective and successful, their data-driven and evidence-based intervention changes the lives and outcomes for thousands of children in our state. This is an investment into the future of our children."

- Rep. Jason Fischer

Call Gov. Rick Scott at (850) 717-9337 to support this investment in children with Communities In Schools.
