"Ms. Evena is the most dedicated and committed AmeriCorps interventionist I've ever had. I couldn't have done this job this year without her. She has truly gone above and beyond the call of duty. We are truly a 2 man team! I just don't have enough words to express how her presence, and this program has impacted my class."

### We Are Ready to Set Sail!

Who is ready to set sail with us? Our Sailing for Success Annual Fundraiser is a family event that takes you on a voyage filled with music, food and activities without needing a passport and without leaving land.

Our 29th annual event, presented by Publix Super Markets Charities, will take place April 14th at 5:00 p.m., at the Intercontinental at Doral Miami. The annual fundraiser supports CIS of Miami's educational programs and services that help over 20,000 South Florida students each year succeed in and out of school.

You will enjoy student performances, a magic act, silent auction, and a delicious caribbean buffet.

If you are unable to attend, we still need your help in achieving our fundraising goal. Show your support by making a donation today.

Can't attend, but want to donate!

I will be there!

# Florida KidCare

### New Partnership with Florida KidCare

We are launching a new partnership with Florida KidCare. Did you know that Florida children from birth through the end of age 18 are eligible for coverage? It is free to apply and with year-round enrollment, the time to apply is always now. Florida KidCare includes free, subsidized and full-pay options based on family income and household size. Most families pay nothing at all, and many pay as little as just \$15 or \$20 a month for all children in the household. Families who do not qualify for free or subsidized coverage may purchase a competitively priced full-pay plan.

Communities in Schools of Miami's unique code is CISMIA.
