

SUPPORTING OUR SCHOOLS

Join NBC6/Telemundo 51 in supporting Communities In Schools of Miami, Inc and United Way of Miami-Dade as they provide Miami-Dade County Public Schools students with a great start to the school year. Together, we can make sure our youth are equipped to succeed! Your support gives new school supplies to children who would otherwise go without.

Last year, with the support of our community, we collected enough school supplies to fill 400 book bags! This year, we're hoping to collect more, but we need YOUR help to reach this goal. Please complete the following page to let us know how your team plans to support this year's school supply drive. Additional details will be provided once we have confirmed your participation.

Thank you!
